

## Joining the Meta-Data Professional Organization

Last Updated Wednesday, 03 March 2010

The Meta-Data Professional Organization is actively seeking both companies and individuals to join its membership. We encourage you to consider joining the MPO today and start reaping the benefits! Members will gain:

- one-stop shopping for meta-data research and resources
  - network with other meta-data professionals in your own or other fields
  - access members-only web content
  - read or be referred to articles of interest on meta-data management
  
  - interact on discussion groups
  - monthly email newsletter
  - special discounts on seminars, conferences, & other events
  - MPO teleconferences
- To join, complete the online membership registration process, or download an application and mail it in with a check, cashier's check, or a money-order. General Discounts
